

Hello friends of colors and brushes,

In this masterclass a small group of students will be guided by Roman to learn everything to paint Non Metallic Metal (NMM) and True Metallic Metal (TMM).

After this workshop you will have tons of tools and massive knowledge on your hands to paint this "difficult" material with no questions left.

All material, tools and a miniature is provided by the teacher.

You just need to bring your own brushes and wet palettes.

This group masterclass coaching will have 3-5 students and is a perfect setup to work with individual coaching by Roman.

Minimum number of students: 3

Language: german

Main topics

- Learn in depth basics in material lessons
- Learn how to treat easy to difficult volumes as metallics
- Learn to paint a metallic effect without using metallic paints (NMM)
- Learn to paint a metallic effect with using metallic paints (TMM)
- Learn to paint a hybrid version of both for maximum control and effect
- Learn to add effects, deep texture and environmental influences on your metallics
- This class involves object studies (day 1) and using everything you learned on a 54mm full plated, armoured knight (day 2)
- and more ...

Student level: Advanced

For this class you should be prepared with an advanced skill level. You should know about zenithal light, basic color theory, contrast range and how to create a blending.
