

Hello friends of colors and brushes,

Under Roman's guidance every participante will create one inspired, large framed diorama with the subject 'Window to the Stars'. Learn tips and tricks about composition, construction material and let your creativity go beyond your imagination.

All material, tools and everything you need is provided by the teacher.
You just need to bring your own brushes, wet palettes and superglue.

This group coaching will have 3-5 students and is a perfect setup to work with individual coaching by Roman.

Minimum students: 3

Language: english

Main topics

- Learn to build a framed diorama with a tiny Astronaut (or more)
- Deep dive into the theme for inspiration
- Learn about compositon
- Learn about material construction options for building the spaceship interior
- Learn creative ways to pour color for a star picture
- ... and more.

Student level: Advanced

For this class you should be prepared with an advanced skill level. You should know about zenital light, basic color theory, contrast range and how to create a blending.
