

Hello friends of colors and brushes,

Under Roman's guidance you will create your own inspired, framed diorama.

Learn tips and tricks about composition, create realistic forest effects and learn how to include nature's influence to set up a great scene for your group of Wood Dwarves.

This class aims on the construction and building the scene. There will be time for painting, yet painting will just be started, not finished.

All material, tools and everything you need is provided by the teacher.

You just need to bring your own brushes, wet palettes and superglue.
