Information on board and lodgings:

Concerning lodgings, everybody makes his own luck if it's youth hostel, hotel or accomodation at locals everybody has to take care for him or herself. Arrangements among each other may help to find appropriate lodging. We recommend youth hostel „Sleps“ because it's only two minutes on foot away from the school building „Staatsinstitut“. You need a youth hostel pass that can be gained directly on site. Augsburg also has a lot of further guesthouses and hotels, simply google for „Augsburg Hotels“.

The IBIS Budget Hotel is recommended if the seminar takes place in the studio. It is requested, that every participant looks for his or her own lodgings but we gladly will support you!

Board:

Every participant has to take care for his or her own catering.

School:

In close vicinity to the school building are several bakeries, two super markets (Tengelmann/Norma), a bank (Sparkasse), fast food restaurants, butchers etc. Of course we will discuss, plan and organize breaks together in the tried and tested way. There is an automatic coffee brewer in the school building as well as a school kitchen we can use. We can use coffee brewer, dishwasher, fridge, baking oven over the weekend

if we clean up together. Many of those devices only work „spontaneously“. There's no warranty what devices in the kitchen you can rely on. Don't forget to bring some money for your board with you.

Studio:

A supermarket close by or even better a nice restaurant in walking distance is the place to go if the seminar takes place in the studio,

Please bring your food for friday along with you for there's no eating break planned then.

Disclaimer and information concerning minors

Those can only participate if they bring along a declaration of consent by their parents or send it to Roman in advance. Ask for postal address via PN or Email.

Disclaimer

The organizers of the workshop assume no liability for any damage to persons or property. Needless to say we see a cultured behaviour and way of speaking as preconditional.
